House for sale

Caleta de Vélez, Costa Tropical, Spain

ID#: 152594

Description:

The history of Caleta has always been closely linked to fishing. No wonder, then, that the harbour of the small coastal village between Torre del Mal and Algarrobo, which was built in its present form almost 50 years ago, has recently become a mecca for recreational boat owners and all those who prefer to buy fish freshly caught at the pier than to have it pulled over the scanner in the supermarket. Less than a five minute walk away: this char...
