### Description:

C17th floor mill to be restored. The property has 800 m2 of buildings in various states of repair and 5000 m2 land. It would make a perfect rural hotel or restaurant being only 5 minutes drive from the beautiful Bermejales Lake in an area showing significant growth in the tourist sector and with full support from the local Town Hall. There are two large buildings with lots of distribution possibilities. The main building retains all the or...
