**Description:**

Interesting plot of land next to the road between Talará- Lecrín and Acequias with large ruined buildings. There are at least 417 m2 of ruined buildings to restore/rebuild, ideal location for a restaurant or rural hostel with excellent access from the road and a track at the bottom of the property. The 3.873 m2 of land is planted mostly with olive trees with abundant irrigation water. Electricity would be easy to connect as the line is ve...
