Description:

La Bonita Fabulous opportunity to build a large home in prime positions near the beautiful village of Iznajar. This property is in need of a total reform and is in a sought after area. There is good access to the top of the land and the 12,000 square meters is surrounding the property. There are lake and mountain views without obstruction and very flat land to build on. This would make a very large family home or Guest House which would be clo...
