Beschrijving:

The area is characterized by its tranquility and good views over the sea and the Bay of Fuengirola. The distances to the population centers and main centers of attraction of the Coast are small and that contributes to qualify as privileged the place in which this beautiful Finca is located. The plot is 5,447 m², of which the total built area is 355 m² and the total area for Porches, Terraces etc., is approximately 365 m². The "Lodge"...
