Finca te koop

, Spanje

ID#: 209703

Beschrijving:

Two houses joined into one. This is a very old property which has stood empty for some time. It is located in a small hamlet within the Colmenar/ Comares region. The property is in need of modernization and reform. It offers excellent potential to become a beautiful property in enviable surroundings with excellent views at a very attractive price. There is a flat area in the garden which would be ideal for a swimming pool (subject to permissi...
