Villa te koop

, Spanje

ID#: 212087

Beschrijving:

This charming house is in a row of three and located in the countryside, but also very close to the village of Los Romanes. It boasts spectacular views of the surrounding countryside. The property comprises kitchen, living room, bathroom and 3 bedrooms all on the ground level. On the lower level you find another bathroom and the 4th bedroom. It has various terraced areas, one with jacuzzi, and a roof terrace for enjoying the views and relaxing...
